

# Tuition and Registration Fees

## Fall Courses 2020

### Tuition for Group On-line Coding Class

- Tuition: \$880 (\$27.5 per hour, for a total of 16 weeks, 32 hours)
- Fee: Registration \$20 (new student only)
- Parents who registered 2 children can get 10% discount for the second child
- For the group classes, there is no refund or make up classes for missed classes

### Tuition for Private/semi-private lessons (please ask the instructor for details)

- \$400/10 hours lesson
- \$700/10 hours for 2 students
- \$900/10 hours for 3 students

### Tuition Policy:

#### 1. Early withdraw tuition refund

No refund for the fall semester tuition after the first two classes of the calendar year. The refunded tuition will be the total tuition minus the tuition for the classes taken and there will be \$20 processing fee for refunded tuition.

#### 2. Tuition for late enrollment

tuition = rate per class \* number of remaining classes + processing free (\$20), for example, if the number of remaining classes = 12, then the late enrollment tuition will be \$680 ( $\$55 \times 12 + \$20$ ).

Late enrollment is conditional upon instructor's approval.

#### 3. Returned check

Web Foresters will charge \$30 for every returned/bounced check.
